“For his many years of dedication and hard work in bringing the vision for the Vicarage Lane Fields project to fruition.”

7. Matters Introduced by Members of the Public

Fly Tipping Along the Boundary of Vicarage Lane Fields

Clearing of the hedgerows, which, because of ground conditions, had not yet been completed had exposed a significant amount of fly tipping behind some of the properties adjoining Vicarage Lane Fields. Once the clearing of hedgerows had been completed, it would be possible to identify locations where fly tipping needed to be removed more precisely and make arrangements for it to be dealt with.

There being no further business, the Chairman thanked everyone and closed the meeting at 7:37 pm.
