

Appendix A

District Councillors Report to January 2018 Parish Council Meeting.

Election Result.

As most of you will be aware by now, Marlaine Whitham was elected in the recent by-election. We are obviously happy that the electorate of Shevington with Lower Ground ward have decided to stick with a hard working team and we will continue to work with all community groups and residents, regardless of their political views.

CCTV.

The funding had been approved. We are waiting for the Parish Council to agree on the data package then the system will be ordered and fitted.

Regards

Mike, Paul and Marlaine.
