

**Shevington Parish Council**  
**Clerk's Report to the Council Meeting of 14 December 2017**

**Bin Matters**

Transfers consisting of the Parish Council's logo and other livery have been applied to two of the re-painted bins. It has been too cold recently to apply the livery to the third. The two old bins that have been replaced are currently at the Forest Fold car park.

**Christmas Trees**

The Christmas trees were dressed during the last few days of November. The one for the centre of Shevington that had been flattened was replaced with a very nice tree. The new star with which it has been dressed has received positive comments. The two replacement strings for the tree at Crooke Village have been ordered and were fitted this morning.

**Christmas Shop Front Award**

PCSO Leanne Winnard will be judging the shop fronts over this weekend and during the first few days of next week.
