

NOTICE to RESIDENTS of SHEVINGTON PARISH

The Development of Shevington Primary School Site

Shevington Parish Council are seeking

YOUR OPINION

This site has been central to the community for over two hundred years.

What should happen now?

The school was closed because of declining pupil numbers. Because Shevington has an ageing population there is a need for provision for our elderly people.

A group of Shevington residents who represent age-related health groups and the Community Association have got together with Parish Councillors and District Councillors to discuss a vision for the future of the site.

OUR VISION

We believe this is a huge opportunity to create an imaginative ALL-AGE-GROUP facility for the community, with a bias towards care for the elderly, which will include, eg Sheltered Housing or a Care Home.

You will all be aware that there are many new-style, inclusive complexes of this type being provided all over the country. We hope to collect ideas and to help create a centre of excellence for all.

The site is ideally situated for such a development.....

**It's next door to the Doctors' Surgery,
close to local shops, Shevington Library, community centres
AND good transport services.**

The Parish Council invite you to
