

## **Annual Community Award Nomination – John Ball**

John was a parish Councillor for over 30 years devoting his time for the benefit of residents of his South Ward and the wider Parish. During this time he served as, first, Vice Chairman and then Chairman.

John was also a Councillor on both the Standish with Langtree and Swinley ward of Wigan Council. Unfortunately, John's health declined and he decided to stand down. His many years of service make him an ideal recipient of a Parish award.
